PART I – GENERAL MEETING INFORMATION

SOLICITATION OF PROXIES

This management information circular (the “Information Circular”) is furnished in connection with the solicitation by the management of Peruvian Metals Corp. (the “Corporation”) of proxies to be used at the Annual General and Special Meeting of Shareholders of the Corporation (the “Meeting”) to be held on Tuesday, September 15, 2026 at 9:00 a.m. (Edmonton time) at Wildeboer Dellelce Place, 365 Bay St., Suite 800, Toronto, Ontario M5H 2V1 and virtually on-line at <https://wildlaw-ca.zoom.us/j/81675456568> for the purposes set out in the accompanying Notice of Annual General and Special Meeting of Shareholders (the “Notice”).

Although it is expected that the solicitation of proxies will be primarily by mail, proxies may be solicited personally or by telephone, facsimile or personal interview by directors and officers of the Corporation at a nominal cost. The cost of any such solicitation will be borne by the Corporation. Arrangements will also be made with brokerage houses and other custodians, fiduciaries and nominees to forward proxy solicitation material to the beneficial owners of the Corporation’s common shares. Unless otherwise specified, information contained in this Circular is as of July 31, 2026.

Registered shareholders are invited to complete the enclosed form of proxy and to send it to Odyssey Trust Company, Trader’s Bank Building, 1100-67 Yonge Street, Toronto ON M5E 1J8 not less than 48 hours, excluding Saturdays, Sundays and holidays, preceding the Meeting or any adjournment of the Meeting. MEETING DETAILS

This year’s Meeting will be available to the Corporation’s shareholders in a virtual format, by way of a live webcast. Voting in advance of the Meeting using the Form of Proxy for Registered Holders (as defined below) and VIF for Beneficial Holders (as defined below) in accordance with the instructions set out on your form of proxy or VIF will ensure your votes are counted at the Meeting.

We encourage you to make sure that your votes are represented at the Meeting. Additional information on how to attend the Meeting virtually and to vote your shares in advance of the Meeting is enclosed. Please take the time to vote using the form of proxy or VIF sent to you in accordance with the instructions thereon so that your shares are voted according to your instructions and represented at the Meeting.

APPOINTMENT, REVOCATION AND DEPOSIT OF PROXIES

The following information is of significant importance to registered shareholders. The persons named in the enclosed form of proxy are directors and/or officers of the Corporation. **A shareholder has the right to appoint a person (who need not be a shareholder) other than one of the proxyholders to represent the shareholder at the Meeting. Such right may be exercised by inserting in the space provided for that purpose on the form of proxy the name of the person to be designated and deleting therefrom the names of each proxyholder, or by completing another form of proxy, and delivering the same to Odyssey Trust Company, Trader’s Bank Building, 1100-67 Yonge Street, Toronto ON M5E 1J8. In all cases, the form of proxy should be dated and executed by the shareholder or an attorney authorized in writing, with proof of such authorization attached where an attorney has executed the form**

of proxy. If a form of proxy is not dated, it will be deemed to bear the date it was mailed, the postmark being sufficient proof of the date.

To be valid, a form of proxy must be signed by the shareholder or by the shareholder's attorney authorized in writing or, if the shareholder is a corporation, it must be signed by an officer of said corporation or by an attorney duly authorized by a certified resolution authorizing the execution. The form of proxy must be delivered to Odyssey Trust Company, Trader's Bank Building, 1100-67 Yonge Street, Toronto ON M5E 1J8 not less than 48 hours, excluding Saturdays, Sundays and holidays, preceding the Meeting or any adjournment of the Meeting. Proxies may also be voted online at <https://login.odysseytrust.com/pxlogin>.

A shareholder who has given a proxy may revoke it as to any matter upon which a vote has not already been cast pursuant to the authority conferred by the proxy. In addition to revocation in any other manner permitted by law, a proxy may be revoked by either executing a form of proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the shareholder or by such shareholder's authorized attorney in writing or, if the shareholder is a corporation, by an officer or attorney thereof duly authorized by a certified resolution authorizing the revocation, and by filing the form of proxy bearing a later date or the revocation of proxy either at the registered office of the Corporation at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, or by filing the form of proxy with Odyssey Trust Company, Trader's Bank Building, 1100-67 Yonge Street, Toronto ON M5E 1J8 not less than 48 hours, excluding Saturdays, Sundays and holidays, preceding the Meeting or any adjournment of the Meeting, or by filing the revocation of proxy with the chair of the Meeting on the day of the Meeting, or any adjournment thereof. In addition, a proxy may be revoked by the shareholder personally attending the Meeting and voting.

VOTING OF PROXIES

Each shareholder may instruct his or her proxy how to vote his or her common shares by marking the form of proxy. All common shares represented at the Meeting by a properly executed form of proxy will be voted, or withheld from voting (including the voting on any ballot), and where a choice with respect to any matter to be acted upon has been specified in the form of proxy, the common shares represented by the proxy will be voted in accordance with such specification. **In the absence of any instructions as to voting on the form of proxy, the proxyholder will vote in favour of the matters set out in the accompanying Notice.**

The enclosed form of proxy confers discretionary authority upon the proxyholder, or other person named as proxy, with respect to amendments to or modifications of matters identified in the accompanying Notice and any other matters that may properly come before the Meeting. As of the date hereof, management of the Corporation is not aware of any amendments to, variations of or other matters that may come before the Meeting. In the event that other matters do come before the Meeting then the proxyholder intends to vote in accordance with his or her own judgment.

NOTICE AND ACCESS

The Corporation has elected to use the notice and access process ("**Notice and Access Provisions**") under National Instrument 54-101 – *Communications with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**") and National Instrument 51-102 – *Continuous Disclosure Obligations*, for distribution of this Circular and other meeting materials to registered shareholders of the Corporation and non-registered shareholders of the Corporation as set out below under the heading "Voting by Non-Registered Shareholders". The Notice and Access Provisions allow issuers to post electronic versions of meeting materials, including circulars, annual financial statements and management discussion and analysis, online, via SEDAR+ and one other website, rather than mailing paper copies of such meeting materials to shareholders.

The Corporation has posted this Circular, the Corporation's audited financial statements for the year ended March 31, 2026 (the "**Annual Financial Statements**") and the Corporation's management discussion and analysis for the year ended March 31, 2026 (the "**Annual MD&A**") on the Corporation's SEDAR+ profile at www.sedarplus.ca and on the Corporation's website at www.peruvianmetals.com.

Although the Circular, Annual Financial Statements and Annual MD&A (collectively, the "**Meeting Materials**") will be posted electronically online, as noted above, the registered shareholders and non-registered shareholders (subject to the provisions set out below under the heading "Voting by Non-Registered Shareholders") will receive a "notice package" (the "**Notice and Access Notification**"), by prepaid mail, which includes the information prescribed by NI 54-101, and a Form of Proxy or VIF from their respective intermediaries. Shareholders should follow the instructions for completion and delivery contained in the Form of Proxy or VIF. Shareholders are reminded to review the Circular before voting. The Corporation will not use procedures known as "stratification" in relation to the use of the Notice and Access Provisions. Stratification occurs when a reporting issuer using the Notice and Access Provisions provides a paper copy of the information circular to some shareholders with the notice package.

Shareholders will not receive a paper copy of the Meeting Materials unless they contact Odyssey Company, in which case Odyssey Trust Company will mail the requested materials within three business days of any request, provided the request is made prior to the Meeting, as set out below. Shareholders with questions about the Notice and Access Provisions may contact Odyssey Trust Company toll free at 1-888-290-1175 or by email at shareholders@odysseytrust.com. Requests for paper copies of the Meeting Materials must be received at least seven (7) business days in advance of the proxy deposit cut-off date and time, which is 9:00 a.m. (Edmonton time) on Friday, September 11, 2026. Therefore, in order to receive a paper copy of the Meeting Materials in advance of the proxy deposit cut-off date, your request should be received by Friday, September 4, 2026.

NOTICE TO BENEFICIAL SHAREHOLDERS

The information set forth in this section is of significant importance to many shareholders as a substantial number of them do not hold common shares in their own name and are therefore not “registered” shareholders. Only registered holders of common shares of the Corporation (“**Registered Holders**”) or the persons they validly appoint as their proxies are permitted to vote in person at the Meeting. In many cases, common shares beneficially owned by a person (a “**Beneficial Holder**”) are registered either: (i) in the name of an intermediary (an “**Intermediary**”) (including banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans) that the Beneficial Holder deals with in respect of the shares, or (ii) in the name of a clearing agency (such as the Canadian Depository for Securities Limited) of which the Intermediary is a participant.

Distribution to NOBOs

In accordance with the requirements of the Canadian Securities Administrators and National Instrument 54-101, “Communication with Beneficial Owners of Securities of a Reporting Issuer” (“**NI 54-101**”), the Corporation will have caused its agent to deliver the meeting materials as well as a voting instruction form to the clearing agencies and Intermediaries for onward distribution to those Beneficial Holders who have provided instructions to an Intermediary that such Non-Registered Holder does not object to the Intermediary disclosing ownership information about the beneficial owner (“**Non-Objecting Beneficial Holder**” or “**NOBO**”).

The meeting materials distributed to NOBOs include a VIF. Please carefully review the instructions on the VIF for completion and deposit.

Distribution to OBOs

In addition, the Corporation will have caused its agent to deliver copies of the meeting materials to the clearing agencies and Intermediaries for onward distribution to those Beneficial Holders who have provided instructions to an Intermediary that the beneficial owner objects to the Intermediary disclosing ownership information about the beneficial owner (“**Objecting Beneficial Holder**” or “**OBO**”).

Intermediaries are required to forward the meeting materials to OBOs unless an OBO has waived his or her right to receive them. Intermediaries often use service companies such as Broadridge Proxy Services to forward the meeting materials to OBOs. Generally, those OBOs who have not waived the right to receive meeting materials will either:

- (a) be given a form of proxy which has already been signed by the intermediary (typically by a facsimile stamped signature), which is restricted as to the number of shares beneficially owned by the OBO, but which is otherwise uncompleted. This form of proxy need not be signed by the OBO. In this case, the OBO who wishes to submit a proxy should properly complete the form of proxy and deposit it with Odyssey Trust Company in the manner set out above in this Information Circular, with respect to the common shares beneficially owned by such OBO; or
- (b) more typically, be given a voting registration form which is not signed by the Intermediary and which, when properly completed and signed by the OBO and returned to the Intermediary or its service company, will constitute authority and instructions which the Intermediary must follow; this form is also typically referred to as a voting instruction form. Typically, the voting instruction form will consist of a one page pre-printed form. The purpose of this procedure is to permit the OBO to direct the voting of the common shares he or she beneficially owns.

Should a Beneficial Holder who receives one of the above forms wish to vote at the Meeting in person, the Beneficial Holder should strike out the names of the persons named in the form and insert the Beneficial Holder’s name in the blank space provided. In either case, Beneficial Holders should carefully follow the instructions, including those regarding when and where the Form of Proxy or VIF is to be delivered.

QUORUM

A quorum of shareholders shall be present at the Meeting if two or more shareholders are present in person or represented by proxy representing not less than one-tenth (10%) of the outstanding shares entitled to vote at the Meeting.

VOTING SHARES AND PRINCIPAL HOLDERS

The authorized share capital of the Corporation consists of unlimited common shares without par value ("**Common Shares**") and 100,000,000 preferred shares without par value. As at the Record Date (as defined below), 147,961,825 common shares were issued and outstanding, each of which carries the right to one vote on all matters that may come before the Meeting, and no preferred shares were issued and outstanding.

To the knowledge of the directors and officers of the Corporation, no person owns, or controls or directs, directly or indirectly, voting securities carrying 10% or more of the voting rights attached to all outstanding voting securities of the Corporation as at the Record Date.

The Corporation has fixed July 30, 2026 as the record date (the "**Record Date**") for the purpose of determining shareholders entitled to receive notice of the Meeting and as the record date for the purpose of determining shareholders entitled to vote at the Meeting. The Corporation will prepare a list of shareholders as at the close of business on the Record Date and each shareholder named in the list will be entitled to vote the shares shown opposite his name on the said list at the Meeting.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

No person who has been a director or an executive officer of the Corporation at any time since the beginning of its last completed financial year, or who is a proposed nominee for election as a director of the Corporation, or any associate or affiliate of such persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting, except as disclosed in this Information Circular.

PART II – ANNUAL BUSINESS

Item 1 – Receipt of Financial Statements

The audited consolidated annual financial statements of the Corporation and related management's discussion and analysis for the financial year ended March 31, 2026 and the auditors' report thereon will be placed before the Meeting.

Copies of these financial statements and related management's discussion and analysis, together with the report of the auditors thereon, are available upon request from the Corporation or can be accessed at www.peruvianmetals.com or under the Corporation's profile at www.sedarplus.ca.

Item 2 – Appointment and Remuneration of Auditor

Shareholders will be asked to approve the appointment of Zeifmans LLP, Chartered Accountants, as the auditors of the Corporation to hold office until the next annual meeting of shareholders at a remuneration to be fixed by the directors. Zeifmans LLP was first appointed as auditor of the Corporation effective January 17, 2023. **Unless the shareholder directs that his or her Common Shares are to be withheld from voting in connection with the appointment of auditors, the persons named in the enclosed form of proxy intend to vote FOR the appointment of Zeifmans LLP, Chartered Accountants, as the auditor of the Corporation until the next annual meeting of shareholders and to authorize the Board to fix the auditor's remuneration.**

The Board recommends that shareholders vote FOR the appointment of Zeifmans LLP, Chartered Accountants as auditors of the Corporation and to authorize the Board of Directors to fix the auditor's remuneration.

Item 3 – Election of Directors

The articles of the Corporation provide for a minimum of 1 and a maximum of 10 directors. The Board has determined that the number of directors to be elected at the Meeting is five. The five persons named below will be presented for election at the Meeting as management's nominees (collectively, the "**Nominees**"). **Unless the shareholder directs that his or her Common Shares be otherwise voted or withheld from voting in connection with the election of directors, the persons named in the enclosed form of proxy will vote FOR the election of Steve Brunelle, Oscar Pezo, John Thompson, Jeffrey Reeder and Daniel Hamilton.**

Each proposed Nominee elected will hold office until the next annual meeting of the shareholders of the Corporation or until his successor is duly elected or appointed, as the case may be, unless his office is earlier vacated in accordance with the by-laws of the Corporation or the provisions of the *Canada Business Corporations Act* ("CBCA") to which the Corporation is subject or any similar corporate legislation to which the Corporation becomes subject.

The following table sets out the names of the nominees, the province or state and country in which each is ordinarily resident, all offices of the Corporation now held by each of them, their principal occupations, the period of time for which each has been a director of the Corporation, and the number of common shares of the Corporation beneficially owned by each, directly or indirectly, or over which control or direction is exercised, as at the date hereof. The Corporation has an Audit Committee, a Nominating Committee, a Compensation Committee and a Corporate Governance Committee, the members of which are also identified below.

Notes:

- (1) The information as to province or state, country of residence, principal occupation and number of the Corporation common shares beneficially owned by the nominees (directly or indirectly or over which control or discretion is exercised) is not within the knowledge of the management of the Corporation and has been furnished by the respective Nominees.
- (2) Member of the Audit Committee. Mr. Hamilton is the Chair of the Audit Committee.
- (3) Member of the Compensation Committee.
- (4) Member of the Nominating Committee.
- (5) Member of the Corporate Governance Committee.
- (6) Mr. Brunelle also holds a total of 850,000 stock options.
- (7) Mr. Pezo also holds a total of 700,000 stock options.
- (8) Mr. Thompson also holds a total of 700,000 stock options.
- (9) Of these, 4,796,323 shares are held indirectly. Mr. Reeder also holds a total 2,500,000 stock options.
- (10) Mr. Hamilton also holds a total of 700,000 stock options.

The Board recommends a vote FOR the election of each of management's nominees for election as directors. Proxies received in favour of management will be voted FOR the election of management's nominees to the Board of Directors, unless a shareholder has specified in the proxy that the shares are to be voted against such resolution (please see

below for more information regarding the Director election process at the Meeting). Management does not contemplate that any of such nominees will be unable to serve as a Director but, if that should occur for any reason prior to the Meeting, the persons named in the enclosed Form of Proxy reserve the right to vote for another nominee in their discretion.

Due to amendments to the CBCA in respect of the election of directors of public companies which came into effect on August 31, 2022, shareholders must be given a choice in the form of proxy sent to shareholders to either vote "for" or "against" the election of each candidate to the Board of Directors in any uncontested election of directors (where the number of nominees equals the number of positions to be filled), unlike the "for" and "withhold" options previously offered to the Corporation's shareholders. Subject to certain exceptions, the amendments to the CBCA require that each director in an uncontested election must receive more votes "for" than "against" cast at the Meeting to be elected. Currently, the number of nominees for election to the Board of Directors of the Corporation is equal to the number of positions to be filled. In the event there are additional candidates nominated for election to the Board of Directors, any "against" votes will be deemed to be "withhold" votes. As of the date hereof, Management of the Corporation does not expect the election of directors to be contested.

If an incumbent director is not elected by a majority of "for" votes at the meeting, he or she will be permitted to continue in office until the earlier of (a) the 90th day after the date of the election; and (b) the day on which their successor is appointed or elected. In limited circumstances, the elected directors may also re-appoint the incumbent director even though he or she did not receive majority support in the most recent election. Specifically, the amendments to the CBCA will allow re-appointment in two circumstances:

- where it is required to satisfy the CBCA's Canadian residency requirement; or
- where it is required to satisfy the CBCA's requirement that at least two directors of a public company not also be officers or employees of the corporation or its affiliates.

If the shareholders fail to elect the number or minimum number of directors required by the issuer's articles due to a lack of a majority of "for" votes for any director nominee(s), the directors who were elected at the meeting may exercise all their powers as directors provided that they constitute a quorum.

The board of directors of the Corporation (the "**Board**") recommends that shareholders vote FOR the election of the above-named Nominees.

Proxies received in favour of management will be voted FOR the election of the above-named Nominees, unless the shareholder has specified in the proxy that his or her common shares are to be voted against any Nominee. Management has no reason to believe that any of the Nominees will be unable to serve as a director but, if a Nominee is for any reason unavailable to serve as a director, proxies in favour of management will be voted in favour of the remaining Nominees and may be voted for a substitute nominee unless the shareholder has specified in the proxy that his or her Common Shares are to be voted against any Nominee.

Item 4 – Confirmation of Rolling Stock Option Plan

TSX Venture Exchange ("**TSXV**") policy requires that rolling stock option plans that set the number of shares issuable under such plan at a maximum of 10% of the issued and outstanding shares must be approved and ratified by the shareholders and the TSXV on an annual basis. The Corporation has previously adopted a stock option plan (the "**Stock Option Plan**"). The purpose of the Stock Option Plan is to attract, retain and motivate persons of training, experience and leadership as key service providers to the Corporation and its subsidiaries and to advance the interests of the Corporation by providing such persons with the opportunity to acquire an increased proprietary interest in the Corporation. Directors, officers, employees, and consultants are eligible to be granted stock options under the Stock Option Plan. Options under the Stock Option Plan are recommended by the Compensation Committee and granted by the Board. The term of an option granted under the Stock Option Plan may not exceed ten years. An option is personal to the optionee and may not be assigned except as provided in the plan in the case of death. The maximum number of options approved by shareholders that may be issued under the Stock Option Plan is 10% of the number of Common Shares issued and outstanding. There are **4,450,000** options granted and outstanding and **14,717,895** options available for grant as of March 31, 2026. Options which expire unexercised become available for re-issue. The Corporation does not provide financial assistance to optionees to facilitate the exercise of options.

On May 30, 2022, the Board approved certain substantive amendments (the "**Amendments**") to the Stock Option Plan to update existing or add new provisions to the Stock Option Plan in accordance with the requirements of the new Policy 4.4. of the TSXV Corporate Finance Manual (the "**New Policy 4.4**") which came into effect on November 24, 2021. The Board also made certain non-substantive amendments to the Plan to correct typographical errors and to clarify existing provisions of the Plan that did not substantively alter the scope, nature and intent of the provisions of the Plan, and to bring the Stock Option Plan into technical compliance with the New Policy 4.4. The Amendments,

including those that are prescriptive, were approved by the shareholders at the annual meeting of shareholders held June 28, 2022.

At the Meeting, shareholders will be asked to consider and, if deemed advisable, to pass the following ordinary resolution (the “**Stock Option Resolution**”), approving and ratifying the Stock Option Plan:

BE IT RESOLVED, AS AN ORDINARY RESOLUTION, THAT:

1. the continued use of the Corporation's stock option plan as described in the Corporation's Management Circular dated July 31, 2026, is hereby ratified, adopted and re-approved;
2. the form of the plan may be amended in order to satisfy the requirements or requests of any regulatory authorities including the stock exchange without requiring further approval of the shareholders of the Corporation; and
3. any one Director or officer of the Corporation is authorized, on behalf of the Corporation, to execute and deliver all documents and do all things as such person may determine to be necessary or advisable to give effect to this resolution.

Unless the shareholder directs that his or her Common Shares are to be voted against approval of the continued use of the Stock Option Plan, Proxies received in favour of management will be voted FOR the approval of the continued use of the Stock Option Plan.

The Board recommends that shareholders vote FOR the adoption of the Stock Option Resolution. In order to be approved, this resolution must be approved by not less than a majority of the votes cast at the Meeting.

PART III - STATEMENT OF EXECUTIVE COMPENSATION

CHANGE IN YEAR-END

During fiscal 202, the Corporation changed its fiscal year end from December 31 to March 31. Therefore, the financial year that began on January 1, 2023 ended on March 31, 2024. The annual financial statements for the year ended March 31, 2026 are available on www.SEDARPLUS.ca under the Corporation's profile, as well as on the Corporation's website at www.peruvianmetals.com.

COMPENSATION DISCUSSION AND ANALYSIS

Remuneration plays an important role in attracting, motivating, rewarding and retaining knowledgeable and skilled individuals to the Corporation's management team. The main objectives the Corporation hopes to achieve through its compensation are:

- to attract and retain executives critical to the Corporation's success, who will be key in helping the Corporation achieve its corporate objectives and increase shareholder value;
- to motivate the Corporation's management team to meet or exceed targets;
- to recognize the contribution of the Corporation's executive officers to the overall success and strategic growth of the Corporation; and
- to align the interests of management and the Corporation's shareholders by providing performance-based compensation in addition to salary.

It is one of the aims of the compensation strategy to ensure that executives of the Corporation are paid reasonably and consistent with the level of responsibility and authority which they assume and taking into account the role they play in advancing the strategic objectives of the Corporation.

It is the role of the Compensation Committee to undertake periodic, independent reviews of market conditions to ensure that the executive officers of the Corporation are paid competitively relative to other comparable participants in the industry. When deemed necessary, the Compensation Committee may call upon outside resources to assist with these reviews and to ensure that the compensation packages available to executives are adequate to retain the existing compliment of executives and recruit others into this group as an integral part of facilitating and sustaining the continued growth of the Corporation. The Committee did not call upon outside resources during the year ended March 31, 2026 to assist in its review of the compensation of executive officers.

Neither the Board nor the Compensation Committee has formally considered the implications of the risks associated with the Corporation's compensation practices or policies. However, the Corporation's compensation practices and

policies, as approved by the Compensation Committee, are generally designed to mitigate against excessive risk taking behaviour or situations that could encourage an executive officer to expose the Corporation to inappropriate or excessive risk. For example, the compensation policies and practices of the Corporation: (i) are structured uniformly all executive officers (including NEOs (as hereinafter defined)); (ii) do not vary significantly from the overall compensation structure of the Corporation; (iii) do not reward the accomplishment of a task while the risk to the Corporation from that task extends over a significantly longer period; (iv) do not reward performance goals or similar conditions that are heavily weighed to short-term rather than long-term objectives; and (v) provide a maximum benefit or payout limit to executive officers (including NEOs).

The Corporation has not adopted a formal policy with respect to the purchase of financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by NEOs or directors; however, the Board would strongly discourage such practice by any NEO or director and the Board is not aware of any such instrument having ever been purchased by a NEO or director.

The basic elements of the compensation strategy are base salary, annual incentives and long-term incentives.

Base Salary

On an individual basis, base salaries are reviewed for each executive officer, including the CEO and CFO, and where it is deemed necessary, changes are made. Considerations taken into account when examining base salaries include years of experience, the potential contribution which the individual can make to the success of the Corporation and the level of responsibility and authority inherent in the job and the importance of maintaining internal equity within the organization.

For the year ended March 31, 2026, the Corporation paid consulting fees to Jeffrey Reeder in the amount of \$212,500 for his services as Chief Executive Officer and President of the Corporation, as well as a bonus of \$105,000. The Corporation paid consulting fees to Justin Bourassa in the amount of \$73,500 for his services as Chief Financial Officer, as well as a bonus of \$35,000.

The management fees of the executive officers of the Corporation were determined by the Compensation Committee of the Corporation. The Compensation Committee relies on its industry knowledge and experience to set appropriate levels of compensation for senior officers. The Compensation Committee did not establish any formal quantifiable criteria in fiscal 2026 with respect to base salaries payable or the amount of equity compensation granted to executive officers and did not formally benchmark against a peer group of companies.

Discretionary Bonus

A discretionary bonus is intended to provide incentives to executive officers to enhance the growth and development of the Corporation, to encourage and motivate executive officers to achieve short-term goals, and to reward individual contribution to the achievement of corporate objectives. The bonus can be based as a percentage of annual base compensation or a fixed dollar amount and is awarded at the discretion of the Board as recommended by the Compensation Committee.

Long-term Incentives

Options to purchase the common shares of the Corporation encourage executive officers to own and hold the Corporation's common shares and are a method of linking the performance of the Corporation and the appreciation of share value to the compensation of the executive officer. When determining the number of options granted to an executive officer, items such as the relative position of the individual officer, the contribution made by that officer during the review period, the number of options granted previously would be taken into consideration.

The Compensation Committee recommends option grants to the Board. Pursuant to the Stock Option Plan, the Board, in its discretion, grants options to directors, executive officers, other employees and consultants as incentives. The level of stock options awarded to a Named Executive Officer is determined by his position and his potential future contributions to the Corporation.

See "Confirmation of Rolling Stock Option Plan" for a description of the Stock Option Plan.

Director Compensation

The Corporation compensates the directors for their services through the payment of directors fees (on an annual retainer, committee chair, and per meeting attendance basis) and through the grant of incentive stock options. The

purpose of granting options is to assist the Corporation in compensating, attracting, retaining and motivating the directors of the Corporation and to closely align the personal interests of such persons to that of the shareholders. Each non-executive director was paid \$6,000 each in respect of the year ended March 31, 2026. Directors are also reimbursed for out-of-pocket expenses incurred in attending meetings and otherwise carrying out their duties as directors of the Corporation.

CORPORATE GOVERNANCE PRACTICES

In June 2005, National Policy 58-201 *Corporate Governance Guidelines* (the “Governance Guidelines”) and National Instrument 58-101 *Disclosure of Corporate Governance Practices* (the “Governance Disclosure Rule”) were adopted by the securities regulatory authorities in Canada. The Governance Guidelines deal with matters such as the constitution and independence of corporate boards, their functions, the effectiveness and education of board members and other items dealing with sound corporate governance practices. The Governance Disclosure Rule requires that, if management of an issuer solicits proxies from its security holders for the purpose of electing directors, specified disclosure of its corporate governance practices must be included in its management information circular.

The Corporation and the Board recognize the importance of corporate governance to the effective management of the company and to the protection of its employees and shareholders. The Corporation’s approach to significant issues of corporate governance is designed with a view to ensuring that the business and affairs of the Corporation are effectively managed so as to enhance shareholder value. The Board fulfills its mandate directly and through its committees at regularly scheduled meetings or as required. Frequency of meetings may be increased and the nature of the agenda items may be changed depending upon the state of the Corporation’s affairs and in light of opportunities or risks, which the Corporation faces. The Board is kept informed of the Corporation’s operations at these meetings as well as through reports and discussions with management on matters within their particular areas of expertise.

The Corporation’s corporate governance practices have been and continue to be in compliance with applicable Canadian requirements. The Corporation continues to monitor developments in Canada with a view to further revising its governance policies and practices, as appropriate.

The following is the Corporation’s corporate governance information as required to be disclosed by venture issuers pursuant to National Instrument 58-101F2:

The recruitment of new directors has generally resulted from recommendations made by directors and shareholders. The assessment of the contributions of individual directors has principally been the responsibility of the Board. Prior to standing for election, new nominees to the Board are reviewed by the entire Board.

National Instrument 52-110 – *Audit Committees* of the Canadian Securities Administrators ("**NI 52-110**") requires the Corporation, as a TSXV Issuer, to disclose annually in its Information Circular the disclosure required by Form NI 52-110F2 with respect to the Corporation's Audit Committee, its auditors and certain other matters.

Board and Senior Management Diversity

In 2019, amendments to the CBCA were adopted requiring new disclosure of the number of: (i) women; (ii) aboriginal peoples; (iii) people with disabilities; and (iv) members of visible minorities (collectively, the "**Designated Groups**") on the Board and in senior management positions with the Corporation.

The Corporation recognizes the benefits of having a diverse Board and management. Due to the relatively small size of the Board and stage of development of the Corporation, it has not adopted a formal diversity policy in respect of the Designated Groups, and instead has sought to increase diversity through the recruitment efforts of its officers and directors. The Corporation remains receptive to increasing the diversity of the Board and management taking into account the skills, background, experience and knowledge desired at any particular time by the Board and its committees.

The Corporation has not adopted term limits for directors and does not support the adoption of quotas or targets regarding representation by the Designated Groups on the Board or in senior management positions. All such appointments and renewals are made based on merit, in the context of the skills, experience, independence, knowledge and other qualities which the Corporation as a whole requires to be effective, with due regard for the benefits of diversity (including the level of representation by members of the Designated Groups). The Corporation considers the representation of the Designated Groups in identifying and nominating new directors and members of senior management. In order to gather the information required to assess levels of diversity for the Corporation to comply with the new diversity disclosure requirements under the CBCA, exiting and proposed directors and members of senior

management of the Corporation will be asked whether they self-identify as belonging to one or more of the designated groups, on a voluntary basis. All responses will be considered in the context of the broader skills matrix sought by the Corporation for its respective positions from time to time.

The Corporation feels its corporate governance practices are appropriate and effective, given its relatively small size and the nature of its operations. These practices allow the Corporation to operate efficiently, with simple checks and balances that control and monitor management and corporate functions without excess administrative burden or delay.

As of the date of this Information Circular, the Corporation has a total of five directors and two members of senior management. The number and proportion of directors and members of senior management who self-identify as being a member of the four Designated Groups has been furnished by the respective directors and members of senior management on a voluntary basis and such responses have not been independently verified by the Corporation. The number and proportion of directors and members of senior management who self-identify as being a member of the four Designated Groups are as follows:

Directors

None of the Directors of the Corporation currently serving as at March 31, 2026 identify as being a member of any of the four Designated Groups.
